As part of our ongoing commitment to exploring new horizons, last year, on a trip to South Africa, we had the extraordinary privilege of collaborating with the esteemed Pieter Walser of Blank Bottle.

Together, we have embarked on a journey to create 'Flavour Zone'. A wine that humbly reflects our shared passion for innovation and the pursuit of wonderful flavours.

Our wine list has been lovingly hand picked by Yoann, Fin & the team with the aim to please all tastes. We have some classics that we feel should be on all wine lists sitting alongside our new focus and Yoann's passion for low intervention wines.

Supporting locals is important to us in every aspect of the business, including our wine list. Wolf Wines and Vin-Clairs from Bath, Talking Wines from Cirencester, Swig and "Deja bu" from Bristol looking after our cellar.
